* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *

This bibliography is a working effort to assemble as many sources and references related to mainstreaming as possible; it should not be considered comprehensive or complete. Related but important topics such as "individualizing instruction," etc., are not included generally. Citations have not been evaluated; therefore, no implications of quality should be drawn from inclusion herein.

The Second Edition of this Bibliography contains references dated up to July 1, 1976.
